

and assisted 17 soldiers spread throughout Iraq and Afghanistan. Today, they have 1,100 volunteers.

Perhaps the greatest contribution Operation Minnesota Nice has made to American soldiers is the inspiration they provide for others to start similar organizations. Floyd Olesen is one such individual. He and his wife started a local chapter of Operation Minnesota Nice in Becker, Minnesota, followed by another organization, Support Our Troops, headquartered in Elk River, Minnesota. Mr. Olesen clearly speaks with admiration for the work Denise Jorgensen has done.

Madam Speaker, we're able to enjoy the freedoms we have today because of the selfless sacrifices so many brave Americans made to secure them, and veterans in America today deserve our utmost respect. The acts of generosity of men and women like Denise and her army of citizen-volunteers are just a sampling of the generous acts of kindness taking place across America to honor the bravest among us. Thank you for your dedication and sacrifice.

THE STRATEGIC PARTNERSHIP  
BETWEEN THE UNITED STATES  
AND THE REPUBLIC OF MAC-  
EDONIA

**HON. MARK E. SOUDER**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 21, 2008*

Mr. SOUDER. Madam Speaker, I would like to submit into the CONGRESSIONAL RECORD the text of the U.S. State Department announcement this month regarding the strategic partnership between the United States and the Republic of Macedonia.

I urge my colleagues to review this document closely, and to remember the geostrategic importance of the United States' continued support for the Republic of Macedonia's membership in the North Atlantic Treaty Organization (NATO).

We in Congress should also fully appreciate the great distance this young country has traveled—reforming itself politically, economically, and militarily—since the dissolution of the Socialist Federal Republic of Yugoslavia.

DECLARATION OF STRATEGIC PARTNERSHIP AND COOPERATION BETWEEN THE UNITED STATES OF AMERICA AND THE REPUBLIC OF MACEDONIA, BUREAU OF EUROPEAN AND EURASIAN AFFAIRS, WASHINGTON, D.C., MAY 7, 2008

The United States of America and the Republic of Macedonia are determined to expand and deepen the close partnership between the two countries based upon common goals, interests, and values. The two countries wish to enhance their strategic relationship through intensified consultation and cooperation in the areas of security, people-to-people ties, and commerce. The United States and Macedonia reaffirm their support for the principles of sovereignty and territorial integrity of states, the purposes and principles of the U.N. charter, and a unitary, multiethnic Macedonia within its existing borders.

Macedonia and the United States note that a democratic, secure and prosperous Macedonia, with friendly and constructive relations with its neighbors and as an active participant in regional and international economic, political and security fora, is vital to peace and stability in Southeast Europe.

In this regard, the United States continues to support Macedonia's security, stability and economic development.

In the interest of an intensified partnership, the United States intends to immediately provide additional assistance to Macedonia to help build prosperity, strengthen security, and foster deeper ties between our two countries.

Macedonia expresses deep appreciation to the U.S. for its assistance to date in helping the Macedonian people as they work to institutionalize and make permanent a democratic process that realizes our shared values of peace, freedom, the rule of law, and a free market economy. Macedonia also recognizes and reaffirms the support from the U.S. in reforming and strengthening its armed forces.

Building on our existing strong partnership in the fight against global terrorism and

promoting international stability, demonstrated by our troops serving together in Iraq and Afghanistan, our civilian and military officials plan to intensify their bilateral high-level contacts and seek increased joint training and exercise opportunities to enhance the interoperability of our forces, and strengthen our partnership in promoting international security and non-proliferation.

Sharing a desire to expand trade and investment, the United States and Macedonia will seek to enhance their economic ties and undertake additional measures to strengthen the competitiveness of Macedonia's economy and expand opportunities for United States and Macedonian businesses. The United States supports Macedonia's ongoing efforts to build a business-friendly environment attractive to United States and other foreign investment. Macedonia expresses its appreciation for the opportunity to utilize GSP to strengthen bilateral trade. Both countries encourage the further expansion of their trade relations.

Macedonia expresses satisfaction with the successful implementation of the USAID technical assistance programs in the areas of democracy, economic growth and education and reaffirms its desire for cooperation in these areas to continue.

The two countries also seek to build closer and more robust bonds between their citizens and will undertake practical measures to promote educational and cultural exchange.

The NATO Summit Declaration in Bucharest made clear that the Republic of Macedonia has met NATO's democratic, economic, and defense standards through its rigorous participation in the Membership Action Plan. The United States continues to work with our NATO Allies to maintain Macedonia's robust cooperation with NATO under existing mechanisms, while it awaits a membership invitation.

Both countries look forward to Macedonia joining NATO as soon as possible. Our intensified cooperation at this time will further strengthen Macedonia's readiness to take on Alliance obligations and responsibilities in the near future.
